Dear Parents,

Welcome to uncharted territory! We hope it will be easy to navigate through the Work Board and online activities. We will be available through email from 9:00-2:30 everyday for questions. Here are some directions to help with the completion of your child's work/activities.

Please use the work board as a daily work schedule.

1. Your child has brought home two Journeys books along with a Readers Notebook that corresponds to each story. The completed Readers Notebook will need to be returned to school when school resumes. *Please note that only the pages listed on the work board need to be completed. Some pages will not be completed.
2. Online activities can be found on your child's chromebook. We have included usernames, passwords, and Clever Badges. Your child knows how to log in with their Clever Badge. Reading Eggs and Raz-Kids will use manual logins and Xtra Math will use the Clever Bage to log in.
3. Your child will also have 10 books in their bag. These books will be used for the weekly homework that they are already doing. Please use 1 book per day for the "I read a Book" section of the homework. If they have a chapter book, please read a chapter or two. Also complete the Fluency, Spelling Words, and Sight Word practice.

Please contact us with any questions/concerns.
